

DIABETES CARE PROGRAM

Complimentary and personalized support to help you manage your diabetes

At Sun Life, we make the health and financial security of our Clients a top priority. Once you are a life insurance Client of Sun Life, you may have access to valuable support through a complimentary Diabetes Care Program¹ - available through Lumino Health™ Pharmacy (LHP), with service provided by Pillway².

The Diabetes Care Program provides personalized advice and resources to help you manage your condition. You can work one-on-one with diabetes coaches for guidance and enjoy free delivery of medications and supplies right to your door. Plus, you can save on real-time glucose monitoring devices through preferred pricing and may be eligible to get a free trial kit after a virtual consultation³.

We offer the Diabetes Care Program at no additional cost. If you're eligible, Sun Life will send you an email to register for the program after your life insurance policy is issued. Your participation is completely voluntary and doesn't impact the contractual offerings of your insurance plan. There is no obligation to take advantage of the program.

Once you've helped secure financial protection for your loved ones with a Sun Life Term Insurance for Diabetes solution, take advantage of a tailored Diabetes Care Program to help you stay on top of your health. You don't have to manage your diabetes alone.

¹ The Diabetes Care Program is a voluntary non-contractual offering. Sun Life Assurance Company of Canada ("Sun Life") reserves the right to terminate, suspend or modify the Diabetes Care Program benefits at any time and without notice. The Diabetes Care Program offerings will depend on the type of diabetes you're living with. The Diabetes Care Program is not available to Quebec residents at this time. The Diabetes Care Program is available for Clients between 18 and 65 years of age who have a Sun Life Evolve Term, Sun Life Essential Term, Sun Life Achievers Term, Sun Life 1-Year Bridge Term, SunSpectrum Permanent Life or Sun Permanent Life insurance product. Participation in the Diabetes Care Program is subject to its Official Terms and Conditions.

² SHG Pharmacy Inc. and SHG West Pharmacy Inc., doing business as Pillway pharmacies, are partially owned by Simpill Health Group Inc. For your information, and as a point of disclosure, Sun Life Assurance Company of Canada has partial ownership in Simpill Health Group Inc.™ - Used under license by Simpill Health Group Inc.

³ Prescriptions for FreeStyle Libre 2 sensors are required. The trial kit is only available for Clients who have not previously used Abbott's FreeStyle Libre 2 sensor and are diagnosed with type 1 or type 2 diabetes. Abbott, FreeStyle, Libre, and related brand marks are marks of Abbott. The FreeStyle Libre 2 flash glucose monitoring system is indicated for measuring interstitial fluid glucose levels in people aged 4 years and older with diabetes mellitus. Always read and follow the label/insert. Sun Life is not affiliated with or associated with Abbott. Any use of Abbott products and services are governed by Abbott's terms, including those related to confidentiality, data privacy and security and Sun Life is not responsible for these services and products.
