## Additional Information

- To calculate the monthly rate for your family, use the rates for the age of each person. Child rates apply to each child covered.
- Couple rates apply when you want to insure yourself and your spouse or partner. We use your ages to calculate the rates.
- When you choose semi-private room coverage, remember to add the rate.
- To get an annual rate, multiply the monthly rate by 12.
- We may issue policies up to age 69.
- Rates increase as you move into the next age band when we renew your policy. We review and may change the rates annually.
- Rates vary by province. Contact us when you're moving to another province to get your new rate. We'll use the new rate as soon as you move.
- We've prepared this rate sheet for your information. It's not an offer to provide insurance. It doesn't form part of any policy that we may issue.
