**Q. What ages are eligible for the premium discount?**

**A.** Eligibility is open to clients of all ages who meet the age requirements for each product type and the premium discount criteria.

**Q. Am I allowed to backdate the policies?**

**A.** Yes. If a client wishes to backdate the CII policy, they may do so. Backdating is allowed on CII policies up to 6 months with existing backdating rules.

**Q. Does the premium discount affect advisors' compensation?**

**A.** No. There is no impact to advisor compensation.

**Q. Are there any restrictions on coverage or premium amounts for the Sun CII product?**

**A.** Yes. For Sun CII child plans, the amount of coverage that can be obtained may be limited by the underwriter depending on several factors including the child's attained age, the existing amount of CII coverage on the child and their siblings, as well as existing individual or group Disability, CII or Long-Term Care insurance on the child's parents. For adult plans, the standard product minimums and maximums apply for the Sun CII products.

**Premium discount payments**

**Q. How is the premium discount calculated?**

**A.** Under the terms of the policy, the premium discount will be equal to either three or six months of the first year of the critical illness insurance premiums. We calculate the premium discount amount based on the payment mode selected.

Calculation for the Adult CII premium discount:

Monthly: Total monthly premium for the Sun CII product x 3 = discount amount

Annual: (Total annual premium for the Sun CII product) /12) x 3 = discount amount

Calculation for the Child CII premium discount:

Monthly: Total monthly premium for the Sun CII product x 6 = discount amount

Annual: (Total annual premium for the Sun CII product) /12) x 6 = discount amount

**Q. How is the premium discount payment made?**

**A.** We will issue a cheque to the policyowner after we confirm:

- The policy meets the eligibility criteria
- Once the Sun CII policy has passed 12 months from the issue date.
- That the Sun CII policy remains in effect and is paid to date.

**Q. Does the premium discount apply to the base premium amount only? Or are all optional benefits included as well? (eg. ROPD, ROPC/E, TDB etc.)**

**A.** The discount applies to both the base premium and any optional benefits. We base the discount on the selected payment mode. This includes the base coverage, optional benefits and the policy fee.

**Q. Is there a minimum or maximum amount for the premium discount?**

**A.** No. There is no minimum or maximum discount amount.

**Q. Who receives the cheque if the payor is not the policy owner?**

**A.** The policy owner will receive the cheque.

**Q. If the Sun CII policy lapses during the first 12 months, will it still be eligible for the premium discount?**

**A.** No, the Sun CII policy must remain in force for 12 months from the anniversary date for the premium discount to apply.

**Q. How do changes in coverage amount/policy changes made during the eligibility period affect the amount available for the premium discount?**

**A.** The premium discount will be based on the actual premiums paid during the first 12 months of a policy that qualifies for the premium discount.

## **Policy Eligibility**

**Q. Are eApp and paper applications eligible?**

**A.** Yes. All applications formats are eligible for the premium discount; however, we **strongly** recommend using the Sun eApp for a smoother, more efficient process. Resources are available on the [Sun eApp landing page](#), to help you navigate the process when submitting a conversion application using the Sun eApp.

**Q. Are Sun CII policies that have not yet settled eligible?**

**A.** No. Any application in underwriting when the campaign begins, or that is approved but not yet settled, will NOT be eligible for the premium discount. **NOTE: Any application that is cancelled and re-submitted during the campaign period to qualify for the offer will not be deemed eligible for the premium discount.**

**Q. If the discount applies to a Sun CII policy that has ROPC/E, will the discount amount be deducted from the return of premium amount when the option matures?**

**A.** No. The premium discount applicable to a Sun CII policy does not impact the accumulated returnable premium amount.

**Q. Can the ownership of the new Sun CII policy be changed during the 12-month eligibility period?**

**A.** Yes, the ownership of the new policy can be changed during the 12-month eligibility period.

**Q. Can corporately owned policies, or policies with joint/shared ownership be eligible for the premium discount?**

**A.** Yes, provided they meet the eligibility criteria. The premium discount will be made payable jointly to all owners listed on the policy.

**Q. Do I need to submit a cover letter to indicate that the policy submitted should be included in the premium discount?**

**A. No.** Please do not include a cover letter solely to indicate that the policy is eligible for the premium discount campaign as this will stop straight through underwriting and processing and will cause service delays. If there is another valid reason to include a cover letter, please continue to do so.
