# Sun eApp

An online tool that simplifies the insurance application process and improves the approval cycle time.

## With Sun eApp you can experience these benefits:

- Instant underwriting approval on select applications
  - You can opt for non-medical vs tele-interview to obtain instant approval and have the application processed up to 20 days faster
  - Track application status on the Sun eApp dashboard
  - Navigate freely through different sections of an application, and complete them in whatever order makes most sense for you and the Client
- Apply for multiple products at once
  - Streamline internal replacements and conversion applications
  - Pre-fill applications or upload saved illustrations in advance of Client meetings
  - Attach documents, unlock and edit applications, and view eSign documents

## Streamline your business with Sun eApp:

- Sign in to [Sun eApp](#)
- To learn more, visit [Sun eApp](#) within Tools and Illustrations or [Sun eApp Tips and Tricks](#), available on **Suncentral**

### *Remember:*

- Have all Client details on-hand before you begin the application process. The application must be complete in order to submit.
- Track your applications in a single view by selecting the [Sun eApp Dashboard](#), from the home page of **Suncentral**. (Sign-in required.)

The screenshot shows the Sun Life eApp dashboard. At the top, there is a header with the Sun Life logo and the text "Tableau de bord". Below this is a navigation bar with three tabs: "Propositions en cours" (highlighted in orange), "Propositions soumises" (highlighted in dark green), and "Version d'essai". Below the navigation bar, there is a message: "Cet icône indique que le produit est inclus dans une offre groupée." Below this message are three buttons: "Rafraîchir", "Envoyer pour signature électronique", and "Commencer une proposition". At the bottom of the dashboard, there is a filter bar with the following filters: "État", "Personne assurée", "Propriétaire(s)", "Produit", "Montant de la couverture", "Date de début", and "Numéro de contrat".

## With Sun eApp you get:

### Error Notification:

Smart-form technology will point out any mistakes or missing information fields before you can move to next step or submit.

### Faster Processing:

Applications are processed 10 days faster than paper applications.

### Streamline:

Digital signatures allow your Clients to sign electronically. This feature is accessible on any device and offers a time-saving solution that lets you work efficiently from anywhere, at any time.

### Flexible Navigation:

Pre-fill an application, if desired. Move back to make changes. See where you left off to keep going. Follow your progress with the navigation menu, which tracks the application status to completion before final Client review.

## New Business Products available on Sun eApp:

- Term insurance

# Client Portfolio

Online tools that allow you to view and manage Client portfolios

This secure tool serves as a comprehensive search engine designed to efficiently access information about a Client's insurance and health policies with Sun Life.

Easily locate policy details by searching with policy numbers or your Client's name.

## Client portfolio key features:

### Data privacy:

Our system ensures data privacy by only displaying policies that the requester is authorized to view.

### Detailed results:

Concise search results include distinctions between policy owners and insured individuals, current policy status, and issue dates.

### Contract details:

Convenient links allow for a deep-dive into specific contract details.

## Access your Client portfolio

- To learn more, launch **Client portfolio** located on home page of **Suncentral** (sign in required), under [Tools](#) tab.

The screenshot shows the Sun Life Client Portfolio search interface. At the top left is the 'centrale Sun Life' logo, and at the top right is a 'Fermer la session' link. The main heading is 'Centrale des activités - Pour un contrat'. Below this is a paragraph explaining that the system needs to know the advisor to provide results, and that users can specify an advisor from a dropdown menu or enter a contract number. A search form follows with a dropdown menu for 'Sélectionnez un conseiller :', an 'ou' separator, and a text input for 'Tapez le numéro du contrat :'. A small example '(exemple : 9999,999-9 ou 050004567)' is provided. At the bottom are 'Précédente' and 'Suivante' buttons.
